Sir:

**ELECTION  
REQUEST FOR EXTENSION OF TIME IN WHICH TO RESPOND**

Responsive to the Election/Restriction Requirement, dated July 7, 2005,

Applicant(s) elect(s) to prosecute claims 1-5 and 11, directed towards the invention identified as Species I, by the Examiner in the Office Action, without traverse.

Applicant does not agree with the Examiner's position about restriction, particularly in view of the fact that, in a prior Office Action, the Examiner examined all of the claims on the merits, however, applicant nonetheless elects herein, without traverse, to continue the prosecution of this case in the context of elected claims 1-5, inclusive and 11.

Favorable action and early allowance of all of the elected claims are respectfully solicited. If the Examiner has any questions regarding the amendment or remarks, the Examiner is invited to contact Attorney-of-Record Jon M. Dickinson, Esq., at 503-504-2271.
